This two-day learning adventure for **six couples** is an amalgam of Hedy and Yumi's **Adventure in Intimacy** workshop for couples, with Hedy's two-day private **Intensive Session**.

The Hybrid Workshop / Session was created to give couples Hedy's individualized, one-on-one attention.

“Your teaching has provided us with the tools to create a level of connection that we had only dreamed about. We've been applying our new knowledge for only a short time and it has already transformed our marriage with the power of communication!”
