# From the Vice President

.....  
Dear MAIT Colleagues,

2019-2020 marks MAIT's silver (25th) anniversary! We have a rich history to celebrate and an exciting program year ahead. I'm very grateful to our founding members who had the vision for MAIT back in 1994-1995. We look forward to honoring and celebrating MAIT's 25 years. We also look forward to engaging and welcoming all our members, whether you've had a 25-year history with MAIT or you're just joining MAIT this year.

As you can see, we have some terrific full day trainings lined up, as well as free member meetings and social opportunities to learn, connect, and grow together. Check our web site for updates to the calendar - we will be adding more events in the weeks ahead. I look forward to seeing many of you at our Annual Meeting/Reconnection Day on September 20th from 9-12:30. Our theme for the morning is Reflect, Reconnect, and Restore. The Board looks forward to kicking off the meeting with a 25th Anniversary skit and song that you won't want to miss!

See you in September!

Cindy Stauffer  
Vice President / Co-President Elect MAIT Board

 25 Years as an organization  
80 Board members since inception
