* Who is this workshop for ? This workshop is designed for all committed couples– engaged, newly married, long-term marriages, living together—who want to learn the skills necessary to realize their relationship potential.

* Goals of Workshop:

- . Learning a new way to communicate and a new way to listen
- . Discovering your blind spots and your childhood influences that limit your efforts
- . Discovering the uniqueness of one's partner and one's self
- . Learning to work constructively with conflict from new research in developmental neuroscience and arousal regulation
- . Acquiring skills to create a relationship vision and pathway forward

* The workshop will include:

Lectures, written exercises, guided imagery, communication and connection skills and practice in a safe environment.
